The Epson EB S10 standard portable LCD projector has 2600 Ansi lumens, a contrast of 2000:1 and an SVGA 800 x 600 resolution. The manufacturer specifies a lamp life of 4000 hours, which is over 5.5 years if enjoyed for two hours a day. The projector can illuminate a picture width of up to 444 cm thanks to its 2600 Ansi lumens. In room light, however, the image width should ideally be less than 296 cm. The model built in 2010 is no longer offered by Epson.
