

# Epson EB U05

EAN/UPC:V11H841040

EPSON EB U05

With the EB U05, manufacturer Epson offers an LCD projector with WUXGA 1920 x 1200 resolution and a contrast of 15000:1. The manufacturer specifies a lamp life of 10000 hours, which is over 13.7 years with two hours of use per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. The projector can illuminate an image width of up to 592 cm thanks to its 3400 Ansi lumens. In room lighting, however, the picture width should ideally be less than 395 cm. The projector has optional Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. This model is no longer offered by Epson.

 3 x 0,67" LCD TFT Panel  
WUXGA 16/9 Liquid Crystal Display

Projector	3400	Screen	1511 Lux (bei 200 cm Screen)
