

Epson EB-W140

EPSON EB-W140

With the EB-W140, manufacturer Epson offers a standard portable LCD projector with WXGA 1280 x 800 resolution and a contrast of 15000:1. The lamp life is up to 10,000 hours, which is over 13.7 years if enjoyed for two hours a day. The integrated media player can play files directly. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. 3300 Ansi lumens ensure that a picture width of 584 cm is also possible. However, if room light is available, the picture should be a maximum of 389 cm wide. Playing 1080P is also no problem for the projector. This model is no longer offered by Epson.
