

Epson EB W22

EPSON EB W22

The standard portable Epson EB W22 LCD projector has 3000 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. The lamp life is specified by the manufacturer as 5000 hours, which is over 6.8 years with a daily viewing time of 2 hours. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. Thanks to the brightness of 3000 Ansi lumens, a picture width of 556 cm is possible. In room light, the image should be max. 371 cm wide. Playing 1080P is also no problem for the projector. The model built in 2013 is no longer offered by Epson.
