

Epson EB X31

EPSON EB X31

The standard portable Epson EB X31 LCD projector has 3200 Ansi lumens, a contrast of 15000:1 and an XGA 1024 x 768 resolution. The lamp life is specified by the manufacturer as 10000 hours, which is over 13.7 years if enjoyed for two hours a day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. The projector can illuminate a picture width of up to 493 cm thanks to its 3200 Ansi lumens. In room lighting, however, the image width should ideally be less than 329 cm. The model built in 2015 is no longer offered by Epson.
