

Epson EMP 765

EPSON EMP 765

Brief Introduction

Beta 2.5

The standard portable EMP 765 LCD has 2500 Ansi-Lumen, a contrast of 400:1 and an XGA 1024 x 768 resolution. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. The projector will be able to illuminate the 435 cm picture width well. However, if room lighting is available, the picture width should ideally not exceed 290 cm. The model built in 2005 is no longer offered by Epson.
