

Epson EMP TW600

EPSON EMP TW600

Brief Introduction

Beta 2.5

A brief introduction to the EMP TW600: The Epson LCD projector offers 1600 Ansi lumens, a contrast of 5000:1 and HDTV 1280 x 720 resolution. The integrated lens shift gives freedom when positioning the projector. 1600 Ansi lumens ensure that a picture width of 406 cm is also possible. However, if room light is available, the picture should be a maximum of 271 cm wide. The model built in 2005 is no longer offered by Epson, but is still very popular in our projector database.
