With the PowerLite 585WI, manufacturer Epson USA offers a whiteboard LCD projector with WXGA 1280 x 800 resolution and a contrast of 10000:1. The service life of the lamp is up to 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. Includes an integrated media player for direct playback of files. 584 cm image width, the projector will be able to illuminate well. However, if room light is available, the picture width should ideally not exceed 389 cm. The projector is equipped with an integrated whiteboard function for interactive training and presentations. The projector was launched in 2014 and is no longer sold by the manufacturer, but is still a popular projector in our database.
