

Epson USA PowerLite 96W

EPSON USA POWERLITE 96W

The Epson USA PowerLite 96W LCD projector has 2700 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The lamp in the projector is specified with a lamp life of 5000 hours, which converts to over 6.8 years at 2 hours per day. The integrated media player can play files directly. The horizontal and vertical keystone correction provides leeway when setting up. 2700 Ansi lumens ensure that a picture width of 528 cm is also possible. However, if room light is available, the picture should be max. 352 cm wide. Even 1080P video signals are no problem for the projector. On the market since 2011, the model is no longer offered by the manufacturer Epson USA.
