

Epson USA PowerLite Pro G5550NL

The Epson USA PowerLite Pro G5550NL LCD projector has 4500 ANSI lumens, a contrast ratio of 1000:1, and an XGA 1024 x 768 resolution. The integrated lens shift gives you freedom when setting up the projector. An image width of up to 584 cm is possible; if the image width is smaller (we recommend max. 389 cm), even rooms with residual light are no problem. Furthermore, the projector can play 1080P without any problems. The model, built in 2010, is no longer offered by Epson USA.
