

Epson USA PowerLite Pro G6170W / NL

EPSON USA POWERLITE PRO G61

Brief Introduction

Beta 2.5

With the PowerLite Pro G6170W / NL, manufacturer Epson USA offers an LCD projector with XGA 1024 x 768 resolution and a contrast of 5000:1. The integrated media player can play files directly. The projector also offers a lens shift function that makes image adjustment childs play. 6500 Ansi lumens ensure that a picture width of 702 cm is also possible. The projector manages rooms with residual light with a smaller image width, we recommend a maximum of 468 cm. 1080P playback is also no problem for the projector. Even projection onto the ceiling is possible thanks to the 360° projection. This model is no longer offered by Epson USA.
