ETOE Whale Pro 2026

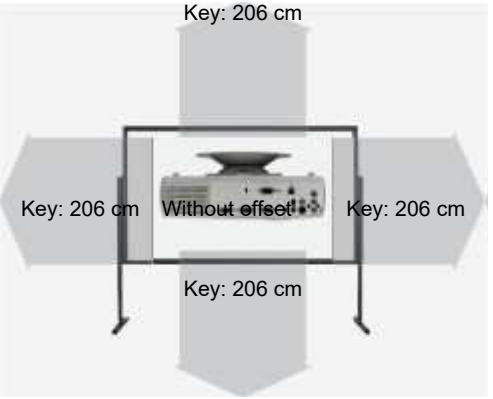

Brief Introduction Beta 2.5	The Standard Portable Whale Pro 2026 LED LCD has 1800 ANSI lumens, a contrast ratio of 3000:1, and an HDTV resolution of 1920 x 1080. Thanks to the LEDs, the lifespan is 30,000 hours, which would amount to over 20.5 years based on 4 hours of daily use. Built-in horizontal and vertical keystone correction provides flexibility when setting up the projector. An image width of up to 393 cm is possible, as the projector has 1800 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 262 cm. Thanks to the integrated Android TV software, it offers direct access to a variety of streaming services such as Netflix, Disney+, Amazon Prime Video, and YouTube, as well as games and other interactive content. Google TV transforms the projector into a versatile media hub that can be seamlessly integrated into a smart home.
Display Type	1 x 5" LCD TFT Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen	Projector: 1800 / Screen: 800 Lux (200 cm Screen width)
