

Fujifilm ZUH12000

FUJIFILM ZUH12000

Brief Introduction

Beta 2.5

The Fujifilm ZUH12000 laser DLP projector has 12,000 ANSI lumens and a UHD (4K2K) 3840 x 2160 resolution. Manufacturer Fujifilm specifies the service life as 30,000 hours, which would be equivalent to over 20.5 years at 4 hours per day. The lens shift function allows the projector to be set up very freely. Furthermore, it is Full HD 1080P and 4K compatible, and can therefore even project Blu-rays onto the ceiling thanks to its 360° projection.
