

Fwiull C12

F W I U L L C 1 2

Brief Introduction

Beta 2.5

The Fwiull C12 standard portable LED LCD projector has 1200 ANSI lumens, a contrast ratio of 10000:1 and an HDTV 1920 x 1080 resolution. The projectors LED light source has a lifespan of 30,000 hours, which is the equivalent of over 20.5 years at 4 hours per day. Since Fwiull indicates the brightness of the projector in lumens, we have calculated an approximate Ansi-Lumen value in this case. 352 cm image width, the projector will be able to illuminate well. If room light is available, however, the image width should not exceed 235 cm. The projector has Airplay, Miracast Screen Mirroring support, which makes it possible to play videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS directly via WLAN. In addition, thanks to the Bluetooth function, the projector can be flexibly connected to other speakers. Playing 1080P and 4K (compressed) is also no problem for the projector.

Display Type

- 1 x LCD Panel
- HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

375 / 20000 Lumen

167 Lux (200 cm Screen width)

Contrast
