

OptiMax-ii

iPod Music Projector

Geniesys is proud to present an **ALL IN ONE MUSIC PROJECTOR**

With the continuous innovation from **Geniesys**, the **OptiMax-ii** is build for both beauty and performance. Now you can enjoy your favorite iPod video or music at the comfort of your room. It's LED light engine is build to last at an estimate of 30,000 hours as compare to the conventional projector that has a live of only up to 3,000 hours. Besides enjoying the longevities of the LED lamp, the **OptiMax-ii** is one of the most affordable projectors that you can find in the market.
