

GooDee YG600 Movin

EAN/UPC:B0H4QV9LLL

GOODEE YG600 MOVIN

Manufacturer GooDee offers the YG600 Movin, an LCD LED projector with HDTV resolution of 1920 x 1080 and a contrast ratio of 10,000:1. Thanks to the LEDs, the projector has a rated lamp life of 20,000 hours, which equates to over 13.7 years if used for four hours a day. The built-in media player allows files to be played directly. Thanks to horizontal and vertical keystone correction, the projector can be positioned with great flexibility. An image width of up to 287 cm is possible. However, in well-lit rooms, the image should be set to a smaller size. We recommend a maximum of 191 cm. Google TV transforms the projector into a smart entertainment centre with countless functions. The model recognises AirPlay and Miracast screen mirroring signals, making it possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). Another notable feature is that the projector's Bluetooth function allows it to be connected to external wireless speakers. Furthermore, it is compatible with Full HD 1080p and 4K (compressed) resolution.
