

Hisense 120L9G-CINE120A

EAN/UPC:888143011790

Brief Introduction

Beta 2.5

The 120L9G-CINE120A 3D laser DLP projector from Hisense has 3000 Ansi lumens, a contrast of 1000000:1 and a UHD (4K2K) 3840 x 2160 resolution. The manufacturer specifies a laser service life of 25,000 hours, which is over 17.1 years if enjoyed for four hours a day. Thanks to the short-throw projection ratio of just 0.25:1, the projector does not stand still in the room. For a 2m wide image, the projector only needs to be 50 cm away from the screen. Furthermore, the projector can play 1080P and 4K as well as 3D without any problems, meaning that all Blu-ray formats currently available can be recognized by the projector.

1 x 0,47" DMD Chip
HDTV 16/9 Ti Digital Light Processing Chip
