The Hisense M2SE Pro 3D Laser DLP home theater projector has 1,150 ANSI lumens, a contrast ratio of 1,000:1, and a UHD (4K2K) resolution of 3,840 x 2,160. Thanks to its laser technology, the projector has a light source lifespan of up to 25,000 hours?which equates to over 17.1 years if used for four hours a day. The built-in ambient light sensor detects the ambient light in the room and automatically optimizes the image. The projector also features a built-in media player that allows you to play files directly.
