

Hitachi CP-EX302

HITACHI CP-EX302

The standard portable CP-EX302 LCD projector from Hitachi has 3200 Ansi lumens, a contrast of 2000:1 and an XGA 1024 x 768 resolution. The manufacturer Hitachi specifies a lamp life of 10000 hours, which is over 13.7 years with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 493 cm well thanks to the 3200 Ansi lumens. In room light, however, the picture width should ideally be less than 329 cm. The projector can also play 1080P without any problems. The model was built by Hitachi in 2016 and is no longer current.
