

Hitachi CP X2015WN

HITACHI CP X2015WN

With the CP X2015WN, manufacturer Hitachi offers a standard portable LCD projector with XGA 1024 x 768 resolution and a contrast of 3000:1. The lamp life is up to 5000 hours, which is over 6.8 years if enjoyed for two hours a day. The projector can illuminate a picture width of up to 427 cm thanks to its 2400 Ansi lumens. In room light, however, the image width should ideally be less than 285 cm. Even 1080P video signals are no problem for the projector. The model built in 2012 is no longer offered by Hitachi.
