

Hitachi CP X444

HITACHI CP X444

A brief introduction to the CP X444: The Hitachi standard portable LCD projector offers 3200 Ansi lumens, a contrast of 400:1 and an XGA 1024 x 768 resolution. Thanks to the horizontal and vertical keystone correction, the projector can be positioned very freely. An image width of up to 493 cm is possible. However, the image should be smaller in room light. We recommend max. 329 cm. The projector was launched in 2005 and is no longer sold by the manufacturer.
