

HongTianPao LED 100

HONGTIANPAO LED 100

The standard portable LED 100 LED LCD projector from HongTianPao has 120 Ansi lumens, a contrast of 800:1 and a WVGA 800 x 480 resolution. The lifespan of the LEDs is 20000 hours, which is equivalent to over 13.7 years at 4 hours per day. As HongTianPao specifies the brightness of the projector in lumens, we have calculated an approximate ansi-lumen value in this case. An image width of up to 111 cm is possible, as the projector has 120 Ansi lumens. However, if room light is available, the picture should be max. 74 cm wide. It was launched on the market in 2014 and is no longer offered by the manufacturer HongTianPao.
