

Htp DLP100

H T P D L P 1 0 0

The Htp model DLP100 is a DLP LED projector with HDTV 1280 x 720 resolution and a contrast of 10000:1. The manufacturer specifies an LED service life of 30000 hours, which is over 20.5 years with a daily viewing time of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. With a projection ratio of just 0.6:1, this projector never gets in the way. For a 2m wide image, the projector only needs to be 120 cm away from the screen. The projector has Airplay, Miracast Screen Mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. Playing 1080P is also no problem for the projector.
