

Jmgo D6800

J M G O D 6 8 0 0

Brief Introduction

Beta 2.5

With the D6800, manufacturer Jmgo offers a projector with HDTV 1920 x 1080 resolution. The integrated media player allows files to be played directly. As it is a short-throw projector, the projector can be positioned very close to the wall. For a 2 m wide picture, the projector only needs to be 42 cm away from the screen. Furthermore, the projector can play 1080P and 4K (compressed) without any problems.
