KOGATA AC301 Green

Brief Introduction Beta 2.5	A brief introduction to the AC301 Green: The KOGATA short-throw LED LCD projector offers 1,200 ANSI lumens, a contrast ratio of 4,000:1 and an HDTV resolution of 1,920 x 1,080. Thanks to its LEDs, the projector has a specified light source lifespan of 30,000 hours, which equates to over 20.5 years at 4 hours? use per day. Built-in horizontal and vertical keystone correction offers flexibility when setting up the projector. With a throw ratio of just 1.1:1, this projector never gets in the way. To project a 2-metre-wide image, the projector needs to be positioned just 220 cm from the screen. As the projector supports AirPlay and Miracast screen mirroring signals, it is possible to stream high-resolution videos with surround sound directly from a smartphone, tablet or PC (Android, Windows and iOS) via Wi-Fi. Furthermore, thanks to its Bluetooth functionality, the projector can be flexibly paired with other speakers. Playing 1080p content is also no problem for the projector.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen	Projector: 1200 / Screen: 533 Lux (200 cm Screen width)
Contrast	Projector: 4000:1 / Screen: 4000:1
Black Level	Projector: 0,3000 min. Lumen / Screen: 0,133 min. Lumen
