

Lenovo Xiaoxin 100

LENOVO XIAOXIN 100

With the Xiaoxin 100, manufacturer Lenovo offers an LCD LED projector with HDTV 1920 x 1080 resolution and a contrast of 2000:1. Due to the LEDs, the projector is specified with 30000 hours of light life, which is equivalent to over 20.5 years at 4 hours per day. An image width of up to 269 cm is possible as the projector has 700 Ansi lumens. However, if room light is available, the image should be a maximum of 179 cm wide. In addition, thanks to the Bluetooth function, the projector can be flexibly paired with other speakers. The model is also Full HD 1080P compatible. With an operating noise of just 30 decibels, the model is very quiet compared to others.
