

Liesegang dv 280

LIESEGGANG DV 280

The Liesegang model dv 280 is an LCD projector with SVGA 800 x 600 resolution and a contrast of 200:1. Thanks to the lamp, the projector has a lamp life of up to 700 hours, which is over 1 year with a daily viewing time of 2 hours. The projector can illuminate a picture width of up to 195 cm well thanks to its 500 Ansi lumens. In room lighting, however, the picture width should ideally be less than 130 cm. The projector was launched in 1997 and is no longer sold by the manufacturer. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.

 3 x 1,3" LCD TFT Panel
