

# Lumex PicoMax MX 60

LUMEX PICO MAX MX 60

## Brief Introduction

Beta 2.5

The game portable PicoMax MX 60 DLP projector from Lumex has 60 Ansi lumens, a contrast of 1000:1 and a VGA 640 x 480 resolution. The manufacturer specifies a lamp life of 30,000 hours, which converts to over 41.1 years at 2 hours per day. An image width of up to 67 cm is possible as the projector has 60 Ansi lumens. However, if room light is available, the image should be max. 45 cm wide. Thanks to the built-in 2000mAh/3.7V battery, no power supply is required, allowing the projector to be set up quickly and flexibly. At just 28 decibels, the device is one of the quieter projectors. This model is no longer offered by Lumex.
