

Lumex Smart 600

LUMEX SMART 600

Lumex

The Smart 600 LED DLP projector from Lumex has 600 Ansi lumens, a contrast of 1000:1 and a WXGA 1280 x 800 resolution. Due to the LEDs, the projector is specified with 30000 hours of light life, which is equivalent to over 20.5 years at 4 hours per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. 600 Ansi lumens ensure that a picture width of 249 cm is also possible. However, if room light is available, the picture should be a maximum of 166 cm wide. On the market since 2015, the model is no longer offered by the manufacturer Lumex.

Brief Introduction

Beta 2.5

Display Type

1 x DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen
