VP8600 DLP Projector

Marantz is proud to introduce a new Home Theater projector, the VP8600. This projector brings the remarkable Marantz quality and excellence to those who, in the past, may have only aspired to own a Marantz video projector. Not only have we made it more affordable to purchase, with a lamp life of 4000 hours we have drastically cut the cost of ownership as well. And with a fan noise of only 27 dB, if you weren't seeing an amazing picture on the screen, you would never know it was on!
