Features

Status Data

The Game-Portabel ML50 DLP has 80 Ansi-Lumen, a contrast of 2000:1 and a WVGA 854 x 480 resolution. Includes an integrated media player that can be used to play files directly. An image width of up to 91 cm is possible as the projector has 80 Ansi lumens. However, if room light is available, the picture should be max. 61 cm wide. Thanks to the built-in 1300 mAH 3.7V battery, no power supply is required, allowing the projector to be set up quickly and flexibly. It was launched on the market in 2013 and is no longer offered by the manufacturer Megapower.
