MITSUBISHI XD365U EST

## Brief Introduction

Beta 2.5

The XD365U EST 3D BrilliantColor DLP projector from Mitsubishi has 2500 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. Thanks to the short-throw projection ratio of just 0.469:1, the projector is also not distracting in the room. For a 2m wide image, the projector only needs to be 94 cm away from the screen. Furthermore, the projector can play 1080P without any problems. It was launched in 2012 and is no longer offered by the manufacturer Mitsubishi.
