

Nec M300W

NEC M300W

The M300W LCD has 3000 Ansi lumens, a contrast of 2000:1 and a WXGA 1280 x 800 resolution. The lamp life is up to 4000 hours, which equates to over 5.5 years at 2 hours per day. The projector also offers an integrated media player that can be used to play files directly. 3000 Ansi lumens ensure that a picture width of 556 cm is also possible. However, if room light is available, the picture should be a maximum of 371 cm wide. Even 1080P video signals are no problem for the projector. On the market since 2010, the model is no longer offered by the manufacturer Nec, but is still very popular in our projector database.

3 x 0,59" LCD TFT Panel mit MLA
WXGA 16/10 Liquid Crystal Display with Micro Lense Array

Projector	3000	Screen	1200 Lux (200 cm Screen width)
