

Nec M353WS

N E C M 3 5 3 W S

The Nec M353WS short-throw 3D DLP projector has 3500 Ansi lumens, a contrast of 10000:1 and a WXGA 1280 x 800 resolution. Includes an integrated media player that can be used to play files directly. Thanks to the short-throw projection ratio of just 0.45:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 90 cm away from the screen. The projector is equipped with a microphone jack plug and 20W speakers, so no additional speakers are required for presentations or training sessions. Furthermore, the projector can play 1080P and 3D without any problems. It was launched in 2015 and is no longer offered by the manufacturer Nec.

Brief Introduction

Beta 2.5

Display Type

1 x 0,65" DLP Chip
WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen
