

Nec M402X

NEC M402X

The M402X 3D DLP projector from Nec has 4000 ANSI lumens, a contrast ratio of 10000:1, and an XGA 1024 x 768 resolution. The projector also offers an integrated media player that allows files to be played directly. The model offers a microphone jack and 20W speakers, so no additional audio equipment is required for presentations or training sessions. An image width of up to 551 cm is possible; if the image width is smaller (we recommend max. 367 cm), even rooms with residual light are no problem. Furthermore, it is Full HD 1080P and 3D compatible. On the market since 2014, this model is no longer offered by the manufacturer Nec.
