

H27

Ultimate Home Entertainment Experience

Transform any room in your home with the ultimate entertainment experience. Making the largest big screen TV's seem small with an image that can fill a wall, the Optoma H27 will immerse you in the action. Easy to set up with your DVD player, digital TV receiver, VCR or games console; the fantastic image quality of the Optoma H27 provides life-size movie, sports or games characters looking so real you could touch them.
