

Optoma DNX0503

OPTOMA DNX0503

Brief Introduction

Beta 2.5

A brief introduction to the DNX0503: The Optoma standard portable DLP projector offers 3000 Ansi lumens, a contrast of 2500:1 and an XGA 1024 x 768 resolution. An image width of up to 477 cm is possible. However, the image should be smaller in room light. We recommend max. 318 cm. With only 28 decibels of operating noise, the model is already very quiet compared to others. The projector is no longer sold by the manufacturer.
