

Optoma DW318e

OPTOMA DW318E

The standard portable DW318e 3D DLP has 3700 Ansi lumens, a contrast of 20000:1 and a resolution. The service life of the lamp is up to 10000 hours, which equates to over 13.7 years at 2 hours per day. An image width of up to 618 cm is possible as the projector has 3700 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 412 cm. Even 1080P video signals are no problem for the projector. At just 27 decibels, the device is one of the quieter projectors. It was launched in 2019 and is no longer offered by the manufacturer Optoma.
