

Optoma EH320UST

OPTOMA EH320UST

With the EH320UST, manufacturer Optoma offers a short-throw DLP projector with HDTV 1920 x 1080 resolution and a contrast of 20000:1. Thanks to the short-throw projection ratio of just 0.25:1, the projector is not distracting in the room. For a 2m wide image, the projector only needs to be 50 cm away from the screen. The model offers a microphone jack plug and 16W speakers, so no additional audio devices are required for presentations or training courses. It is also Full HD 1080P and 3D compatible. On the market since 2015, the model is no longer offered by the manufacturer Optoma, but is still one of the very popular projectors.
