

Optoma EX605ST

OPTOMA EX605ST

The short-throw Optoma EX605ST 3D BrilliantColor DLP projector has 3000 Ansi lumens, a contrast of 3000:1 and an XGA 1024 x 768 resolution. Thanks to the short-throw projection ratio of just 0.626:1, the projector is also not distracting in the room. For a 2m wide image, the projector only needs to be 125 cm away from the screen. Even 1080P video signals are no problem for the projector. With only 29 decibels of operating noise, the model is already very quiet compared to others. The model built in 2010 is no longer offered by Optoma.

 1 x 0,55" DC3 DLP Chip
XGA 4/3 Ti Digital Light Processing Chip
