

Optoma GT5500

OPTOMA GT5500

The Optoma model GT5500 is a DLP projector with HDTV 1920 x 1080 resolution and a contrast of 25000:1. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide image, the projector only needs to be 50 cm away from the screen. Even 1080P video signals and 3D are no problem for the projector. The model built in 2016 is no longer offered by Optoma, but is still very popular in our projector database.
