

Optoma HD600X LV

OPTOMA HD600X LV

With the HD600X LV, manufacturer Optoma offers a standard portable DLP projector with WXGA 1280 x 800 resolution and a contrast of 3000:1. The lamp life is specified by the manufacturer as 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. A picture width of up to 508 cm is possible. However, the picture should be smaller in room light. We recommend max. 339 cm. The model is also Full HD 1080P compatible. The projector is very quiet compared to others with 28 decibels of operating noise. On the market since 2011, the model is no longer offered by the manufacturer Optoma, but is still one of the very popular projectors.
