

Optoma TS551

OPTOMA TS551

The TS551 BrilliantColor DLP has 2800 Ansi lumens, a contrast of 3500:1 and an SVGA 800 x 600 resolution. Manufacturer Optoma specifies the lamp life as 5000 hours, which is over 6.8 years if enjoyed for two hours a day. The projector can illuminate a picture width of up to 461 cm thanks to its 2800 Ansi lumens. In room light, however, the image width should ideally be less than 307 cm. Even 1080P video signals are no problem for the projector. At just 30 decibels, the device is one of the quieter projectors. The model built in 2011 is no longer offered by Optoma.
