

# Optoma W320USTi

OPTOMA W320USTi

The Optoma W320USTi 3D DLP projector has 4000 Ansi lumens, a contrast of 20000:1 and a WXGA 1280 x 800 resolution. As the W320USTi is equipped with a microphone jack plug and 16W speakers, no additional audio system is required for presentations or training courses. The projector can illuminate images up to 643 cm wide thanks to its 4000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 429 cm. The projector is equipped with an integrated whiteboard function for interactive training and presentations. The projector can also display 1080P and 3D without any problems. The model built in 2015 is no longer offered by Optoma, but is still very popular in our projector database.
