

Optoma ZW400UST

OPTOMA ZW400UST

With the ZW400UST, manufacturer Optoma offers a short-throw DLP laser projector with WXGA 1280 x 800 resolution and a contrast of 100000:1. It is a laser projector with 20000 hours of light life, which converts to over 13.7 years at 4 hours per day. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. Thanks to the short-throw projection ratio of just 0.27:1, the projector is also not distracting in the room. For a 2m wide image, the projector needs to be just 54 cm away from the screen. It is also Full HD 1080P and 3D compatible. This model is no longer offered by Optoma.

 1 x 0,65" DC3 DLP Chip Type S600
WXGA 16/10 Ti Digital Light Processing Chip

Projector	4000	Screen	1600 Lux (bei 200 cm Screen)
