

OYU LC650

OYU LC650

A brief introduction to the LC650: The OYU LED LCD projector offers 780 Ansi lumens, a contrast of 5000:1 and HDTV 1920 x 1080 resolution. The manufacturer specifies an LED service life of 50,000 hours, which is over 34.2 years with a daily viewing time of 4 hours. As OYU specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 284 cm image width, the projector will be able to illuminate well. If room light is available, however, the picture width should ideally not exceed 189 cm. The projector has optional Airplay and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via Wi-Fi. Thanks to the Bluetooth function, the projector can also be flexibly paired with other speakers. Playing 1080P is also no problem for the projector.

Brief Introduction

Beta 2.5

Display Type

1 x LCD TFT Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

250 / 13000 Lumen

111 Lux (200 cm Screen width)

Contrast

5000:1 full on/off

5000:1 full on/off

Black Level

0,1560 min. Lumen
