

# Premier PD S618

P R E M I E R P D S 6 1 8

The PD S618 DLP projector from Premier has 2500 Ansi lumens, a contrast of 2000:1 and an SVGA 800 x 600 resolution. A built-in horizontal and vertical keystone correction provides freedom when positioning the projector. 2500 Ansi lumens ensure that a picture width of 435 cm is also possible. However, if room light is available, the picture should be max. 290 cm wide. The projector is no longer sold by the manufacturer. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.
