

PVO YG300 Pro

PVO YG300 PRO

Brief Introduction

Beta 2.5

The PVO YG300 Pro is an LCD projector with HDTV 1280 x 720 resolution and a contrast ratio of 1000:1. Files can be played directly via the built-in media player. An image width of up to 102 cm is possible. However, in bright room conditions, a smaller image size should be selected. We recommend a maximum of 68 cm. Playing 1080p content is also no problem for the projector.
