

Pyle PRJD902

PYLE PRJD902

With the PRJD902, manufacturer Pyle offers a standard portable LCD LED projector with SVGA 800 x 600 resolution and a contrast of 1200:1. The service life of the LEDs is 50,000 hours, which is over 34.2 years with a daily viewing time of 4 hours. The projector is equipped with an integrated media player, so direct playback of files will not be a problem. As Pyle specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. The projector can illuminate a screen width of up to 100 cm well with its 132 Ansi lumens. In room lighting, however, the picture width should ideally be less than 67 cm. The model built in 2013 is no longer offered by Pyle.

Brief Introduction

Beta 2.5

Display Type

LCD TFT Panel
SVGA 4/3 Liquid Crystal Display

Ansi-Lumen

350 / 2200 Lumen

117 Lux (200 cm Screen width)
