# QIYO GC357

EAN/UPC:B0HJ2BPVFL

QIYO GC357

| | |
|---|---|
| Brief Introduction<br>Beta 2.5 | The QIYO GC357 LED LCD projector has 600 ANSI lumens, a contrast ratio of 10,000:1, and an HDTV resolution of 1920 x 1080. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours?which, at four hours of use per day, amounts to over 20.5 years. The projector also features a built-in media player that allows you to play files directly. Since the projector has horizontal and vertical keystone correction, it can be set up with plenty of space in the room. The projector can effectively illuminate an image width of 249 cm. However, if there is ambient light in the room, the image width should ideally not exceed 166 cm. The projector supports AirPlay and Miracast screen mirroring, which allows for the direct playback of high-resolution videos and surround sound via Wi-Fi from smartphones, tablets, and PCs running Android, Windows, or iOS. In addition, the Bluetooth capability is a useful feature for the projector, especially for wireless audio transmission. The projector also handles 1080p and 4K (compressed) video signals with ease. |
| Display Type | 1 x LCD Panel<br>HDTV 16/9 Liquid Crystal Display |
| Projector: Ansi-Lumen | 600 |
| Projector: Contrast | 10000:1 |
